SPONSORSHIP OPPORTUNITIES

# BECOME A SPONSOR FOR 2018

Run by the people, for the people, Tockwith Festivals is a registered charity, which donates profits to great causes. Due to the large costs involved with creating a festival we rely on the generous support of our sponsors to help us run the festival each year.

We started out in 2009 as a small beer festival and have grown at an impressive rate year upon year to now host large outdoor festivals as well as smaller boutique events.

We've become one of the area's most recognised small festivals, and when holding our main festival we welcome up to 2,000 people to enjoy great beer, great food, family entertainment and a diverse and high quality range of live music. We regularly feature in various What's On guides.

# WE NEED YOU!

We are now in the process of planning the next Tockwith Beer Festival and once again we aim to make it better than ever before.

Without your kind sponsorship this fantastic event would simply not be possible and we could not have raised five figure sums to date for local good causes.

Please contact us for this year's sponsorship opportunities. Not only will you be supporting a great cause but it's also a unique and effective way to promote your business!
